

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

This proposed move is simply unconscionable. As it is, we have such a tightly controlled media that people from other countries, when they view our television, are appalled. Do your job, and protect what little integrity we have left!
